

Vehicle Donations Information on the Process

You can donate your car, truck, or motorcycle to PHS/SPCA and gain a nice tax deduction. We accept vehicles regardless of their ability to run and/or pass smog, and whether or not you still have the pink slip. We make the whole process simple and easy, and proceeds help our shelter animals! Simply fill out the attached form and fax it to 650-348-7891.

If you would like your vehicle picked up by a tow truck, we'll forward your information to our specialized vendor who deals exclusively with donated vehicles. They will contact you (typically within one or two business days after we receive your information) to set up an appointment for pick up.

If you want to drop your vehicle off at PHS/SPCA we'll call you to make an appointment for you to come by, or feel free to call the number below.

If you provide us with an email address, we will forward you instructions and a link for completing the California DMV Release of Liability online. Completing this online ensures that it will be registered with the DMV within 2 business days, while sending the information via regular mail can take up to 6 months to be processed.

When the vehicle is turned over to us, you will receive your First Receipt which verifies that you donated it to us on that date. The vehicle will be sold at auction, and once we receive the proceeds we will mail you the Final Receipt that can be used for tax deduction purposes.

If you have any questions, don't hesitate to contact me. Thanks for thinking of the shelter animals, we appreciate all that you do to help!

Sincerely,

Dana Troy
