

KITTEN NURSERY SHOWER

Purr-fect foster parents

Above: Morgan Little, the coordinator of the Peninsula Humane Society's kitten nursery, feeds a 4-week-old orphan Thursday at the Burlingame facility. On Saturday, the nonprofit will hold its Kitten Nursery Shower; the public is invited to watch volunteers syringe-feed kittens, enjoy shower treats and learn about volunteer opportunities. Guests also are encouraged to bring shower gifts — the nursery needs KMR formula, heating pads, wipes, bowls and flea combs. The event runs from 12 to 3:30 p.m. **Left:** Rhys Crawford, 2, of San Carlos, visits a kitten in the nursery.
