During this free event, guests can watch volunteers syringe-feed tiny kittens, ask staff about life-saving work and learn about volunteer and foster care opportunities. There will also be activities for children including face painting and a balloon animal maker. Snacks for guests have been donated by Copenhagen Bakery and Trader Joes.

In addition, kitten foster parents will be visiting PHS/SPCA with their foster kittens during the shower event.

Guests are strongly encouraged to bring shower gifts for the kittens. The most needed items include KMR formula (liquid only), baby wipes, paper towels and cotton balls. Guests can purchase some of these gift items at the PHS/SPCA on-site store along with a limited edition Kitten Nursery T-shirt. Sales of all items benefit PHS/SPCA shelter animals.

PHS/SPCA's Kitten Nursey started in 2008 and to date has saved the lives of 1,370 kittens. The nursery is run by highly trained PHS/SPCA staff and 175 volunteers.

#### About the Peninsula Humane Society & SPCA

The Peninsula Humane Society & SPCA (PHS/SPCA) is a local, private, non-profit charitable organization dedicated to animal welfare. Among our major programs, PHS/SPCA adopts fully 100% of the healthy dogs and cats in our care and also, through our charitably funded Hope Program, makes well and finds homes for thousands of animals who come to us sick, injured, or too young to survive without supportive care. PHS/SPCA is truly an open admission shelter, not only accepting many pet animals who might be refused at other shelters, but also taking care of injured and orphaned native wildlife from San Francisco through San Mateo and the northern half of Santa Clara County. Our work means 6,300 lives saved each year. Please visit [www.phs-spca.org](http://www.phs-spca.org) to learn about all our programs and services, ways to help our animals and special events.
